Lets hope the folks in WVA can return to normal soon. This must be a very disconcerting time for them. I am proud EPA is there to help.

These are clips from local reporting here in Charleston, WV, this afternoon and reflect new public info from a press conference held in the governor's office at 3:45pm today that included officials from WVDEP, WV American Water, WVDHHR, FEMA and Emergency Services. Another press conference is scheduled for 9pm tonight at the statehouse.
